ACE840

8" 2-WAY TRIMLESS IN-CEILING SPEAKER PAIR

100W • 8Ω • 35Hz - 20kHz • White

Ordering

Model ACE840 • Sold as a pair (2 speakers) • White, paintable magnetic grille • 10-year warranty

If you believe speakers should be heard and not seen, the OSD Audio ACE (Architectural Ceiling Element) series is for you. The ACE840 combines a discreet, modern design that interior decorators love with high-definition sound that fills even large spaces. It is an excellent choice for whole-house music, media rooms and home theater.

Heard, Not Seen

A discreet, modern design interior decorators love, with strong audio performance to match.

Fiberglass Woofer, Pivoting Titanium Tweeter

An 8" fiberglass woofer gives deep, controlled bass, and the 1" pivoting titanium dome tweeter aims detailed highs at your seat.

Built to Last

Butyl rubber woofer surrounds give deeper bass and wider frequency response than foam and a much longer life.

Nearly Invisible Grilles

The micro-flange grille has a trim line of just .15", held on by strong magnets.

Easy Install, Sold As a Pair

Built-in dog-ear brackets lock each speaker to the ceiling as you tighten the front screws.
