ICE520

5.25" 2-WAY IN-CEILING SPEAKER PAIR

100W • 8Ω • 65Hz - 20kHz • 88 dB

Ordering

Model ICE520 • Sold as a pair (2 speakers) • Paintable grille • 10-year warranty

The OSD Audio ICE520 is a budget-friendly 5.25" in-ceiling speaker pair for hallways, offices, restaurants and whole-home audio, with a pivoting tweeter and a paintable snap-in grille.

Affordable Whole-Home Audio

Cost effective 5.25 inch ceiling speakers make it easy to add music to every room, hallway, garage, office or retail space without a big budget.

Clear 2-Way Sound

5.25 inch polypropylene cone woofer with rubber surround and 1/2 inch pivoting PEI dome tweeter deliver balanced sound from 65Hz to 20kHz.

Aim the Highs

The pivoting tweeter directs high frequencies toward the listening area for clearer vocals and background music, even when the speaker cannot be placed above seating.

100W Power Handling

88 dB sensitivity and 8 ohm impedance work with most stereo amplifiers, AV receivers and multi-zone systems; spring loaded terminals for quick wiring.

Check the Fit

Needs a 6.77" cutout and 2.76" of clearance above the ceiling; the paintable grille is 7.87" across. Dog ear clamps, no brackets needed.

Specifications

Type	5.25" 2-way flush mount ceiling speakers
Woofer	5.25" polypropylene cone, rubber surround
Tweeter	1/2" pivoting PEI dome
Frequency Response	65Hz - 20kHz
