ICE640WRS

6.5" WEATHER RESISTANT IN-CEILING SPEAKER PAIR

150W • 8Ω • 40Hz - 20kHz • 90 dB

Ordering

Model ICE640WRS • Sold as a pair (2 speakers) • Paintable grille • 10-year warranty

The OSD Audio ICE640WRS is a premium weather resistant 6.5" in-ceiling speaker pair with a fiberglass woofer and pivoting titanium tweeter, for covered patios and bathrooms.

Premium Weather Resistant Build

Fiberglass cone woofer with Santoprene surround and rust-resistant aluminum grille stand up to humidity in bathrooms, kitchens, laundry rooms and covered patios.

Detailed, Deep Sound

6.5 inch fiberglass woofer and 1 inch pivoting titanium dome tweeter with built-in crossover deliver rich bass and crisp highs from 40Hz to 20kHz.

150W Power Handling

90 dB sensitivity and 8 ohm impedance work with most stereo amplifiers, AV receivers and multi-zone systems; gold-plated 5-way binding posts.

Aim the Sound

The pivoting titanium tweeter can be directed toward your seating area to create a sweet spot for music and clear dialogue.

Check the Fit

Needs a 7.95" cutout and 3.9" of clearance above the ceiling; the paintable grille is 9.06" across. Dog ear clamps, no brackets needed.
