ICE840WRS

8" WEATHER RESISTANT IN-CEILING SPEAKER PAIR

150W • 8Ω • 38Hz - 20kHz • 90 dB

The OSD Audio ICE840WRS is a premium weather resistant 8" in-ceiling speaker pair with a fiberglass woofer and pivoting titanium tweeter, for covered patios and bathrooms.

Premium Weather Resistant Build

Fiberglass cone woofer with Santoprene surround and rust-resistant aluminum grille stand up to humidity in bathrooms, kitchens, laundry rooms and covered patios.

Deep, Detailed Sound

8 inch fiberglass woofer and 1 inch pivoting titanium dome tweeter with built-in crossover deliver rich bass and crisp highs from 38Hz to 20kHz.

150W Power Handling

90 dB sensitivity and 8 ohm impedance work with most stereo amplifiers, AV receivers and multi-zone systems; gold-plated 5-way binding posts.

Aim the Sound

The pivoting titanium tweeter can be directed toward your seating area to create a sweet spot for music and clear dialogue.

Check the Fit

Needs a 9.06" cutout and 4.13" of clearance above the ceiling; the paintable grille is 10.24" across. Dog ear clamps, no brackets needed.

Ordering

Model ICE840WRS • Sold as a pair (2 speakers) • Paintable grille • 10-year warranty
