

## BOM 4.1.2 Bluetooth Outdoor Omni Sub

BOM4.1.2 All-weather Bluetooth® Subwoofer brings bass to your backyard, pool or patio so you can experience immersive audio even in noise-heavy environments. This is a beefy 100W outdoor sub is designed with weather-durable components, including an IP67-rated power supply that will last for years in cold, hot and wet climates. This is a great outdoor sub to add on to an existing sound system but also includes stereo outputs, so you can build up your outdoor audio with 2 pair of satellite speakers such as our OSD line of landscape speakers.
